Boards supported: CBSE, ICSE and leading State boards. Ask us about custom tracks for Olympiads and foundation courses.

FAQs

Do students need special hardware?

No. Any modern phone, tablet or PC works. 3D lessons play in the browser—no VR headset required.

Are classes live or recorded?

Both. Attend live for interaction and use recordings for revision anytime.

How are teachers selected?

We hire experienced educators and top performers with proven classroom outcomes.

Can parents track progress?

Yes. Regular reports and dashboards show attendance, homework and test scores.
